

THE ANNUAL PROCEEDINGS  
OF GIFU PHARMACEUTICAL UNIVERSITY

---

Vol. 36          June 1987

---

CONTENTS

**Reviews**

- Growth control and protein phosphorylation in fibroblasts .....M. Kohno..... 1  
A new plasma-initiated polymerization .....M. Kuzuya.....11  
Historical and herbological study on Shān dòu gēn  
.....T. Mizuno, M. Iinuma, M. Mizuno.....26

**Regular Articles**

- New method for determining true partition coefficients by  
the technique of chemically modified reversed-phase  
high-performance thin-layer chromatography  
.....T. Kubota, K. Kano, E. Kawata, H. Hashizume, B. Uno.....32  
Synthesis and herbicidal activities of pyridazino [4,5-*e*]-1,2,  
4-triazines  
.....H. Oda, Y. Masaki, H. Nagashima.....42

**Notes**

- Gas chromatographic determination of theophylline in preparations  
after extractive methylation  
.....M. Takano, A. Hiramitsu, S. Kawai.....49

**Cultural Articles**

- The development of silk-reeling industry in Wuxi in late  
Qing era .....T. Suzuki.....53

- Abstracts of annual reports (January-December 1986) .....67
